

Smart Energy Initiative
of Southeastern Pennsylvania

The Smart Energy Initiative of Southeastern Pennsylvania and Montgomery County are pleased to present a seminar:

resources - Developing new energy markets - Creating new jobs - Building an expert workforce - Partnering

Becoming a Solar Energy Provider

Presented by:

Sally Silver, Project Consultant, SEI

with opening remarks by

Joseph M. Hoeffel, Montgomery County Commissioner

If your company is interested in becoming a qualified solar energy provider, this briefing will provide you with up-to-date information on government programs and how to position your business to respond to market demands. Topics to be covered include upgrading worker skills, certificates that are currently available, and becoming a qualified provider for work financed with public funding.

This seminar is appropriate for individuals and businesses seeking to enter the solar marketplace.

Date: Tuesday, September 29

Location: Montgomery County Fire Academy Auditorium
1175 Conshohocken Road
Conshohocken, PA 19428

Time: 8 a.m. - Continental Breakfast
8:30 a.m. - 11 a.m. - Presentation and Q&A

Cost: \$10 for all participants.

Pre-registration is required by Wednesday, 9/23. No walk-ins will be accepted.

Please contact Patti VanCleave at pvanleave@cceconomicdevelopment.com
or 610-458-5700 x212 to register.

The Smart Energy Initiative is a program of the Chester County Workforce Investment Board and the Chester County Economic Development Council in collaboration with: PennFuture, the SEPA Workforce Investment Boards, Ben Franklin Technology Partners of Southeastern PA, DVIRC, PA CareerLink, and PECO. SEI is funded with grants from the PA Department of Labor and Industry, The Sustainable Development Fund and PPL.

- Growing renewable energy - Raising energy awareness - Leveraging limited funding - Assuring energy futures
